the WHEEL

Prologue . . .

"All the world's a stage,
And all the men and women merely players.
They have their exits and their entrances;
And one man in his time plays many parts..."
Shakespeare

August 28, 1964...the curtain rises on the 1964—1965 production of Ayden High School. We, the actors, make our entrances, not expecting spontaneous applause, but working determinedly while the spotlight is on us, that we might exit and look back on a successful performance.

Ayden High School

Ayden, North Carolina

The members of the Annual Staff began recording Ayden High School's 1964—65 production...

"He has

who has

Mr. Edward N. Warren, the director of our production, has been responsible for much of our success.

half the deed done,

made a beginning."

-Smart

"Good company in a journey
makes the way to seem the
shorter."

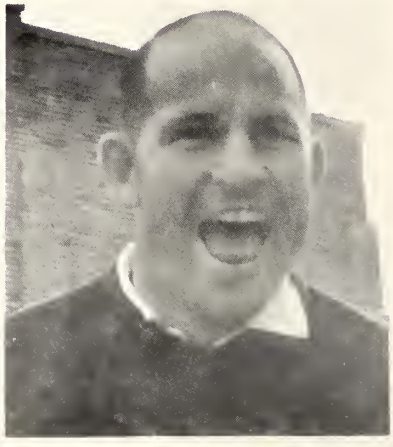
-Walton

"There are two ways of spreading light: to be the candle or the mirror that reflects it."

-Wharton

"The play's the thing . . ."

-Shakespeare



"Deeds never die."

- Robertson

ACT I

To Those We Honor . . .

"The heights by great men reached
and kept
Were not attained by sudden flight,
But they, while their companions slept,
Were toiling upward in the night."

-Longfellow

The week of busy activity and study serves to acquaint the students with the processes of our state government and to prepare them for good citizenship. We honor George Kite, the student chosen to attend last year.

For your "giftedness," we honor you, Joel McLawhorn, who so ably represented Ayden at the Governor's School of 1963, and you, Sonny McLawhorn, for your equally outstanding attendance the following year.

Mrs. Vera Claybrook, we admire and wonder at your ceaseless devptopm tp servoce. You have inspired us mentally and morally; we thank and honor you.

ADVERTISEMENTS

"The codfish lays ten thousand eggs,
The homely hen lays one.
The codfish never cackles
To tell you what she's done.
And so we scorn the codfish,
While the humble hen we prize,
Which only goes to show you
That it pays to advertise."

Epilogue

It has been a long journey since last September when the annual staff first met to begin recording the Ayden High School of 1964—1965. We began as an enthusiastic group; we had many new ideas and deep-rooted aspirations. Our group was determined to make the 1965 WHEEL the best ever.
mination, and every change we made was intended to be an improvement. I am not sure we have reached our goal; I am in no position to compare this annual with past editions of the WHEEL. However, I am sure of one thing: many hours of hard work have been put into this volume. We should like to feel that this time has not been wasted. How well we have succeeded in our attempts will be measured by you, the student body of Ayden High School.

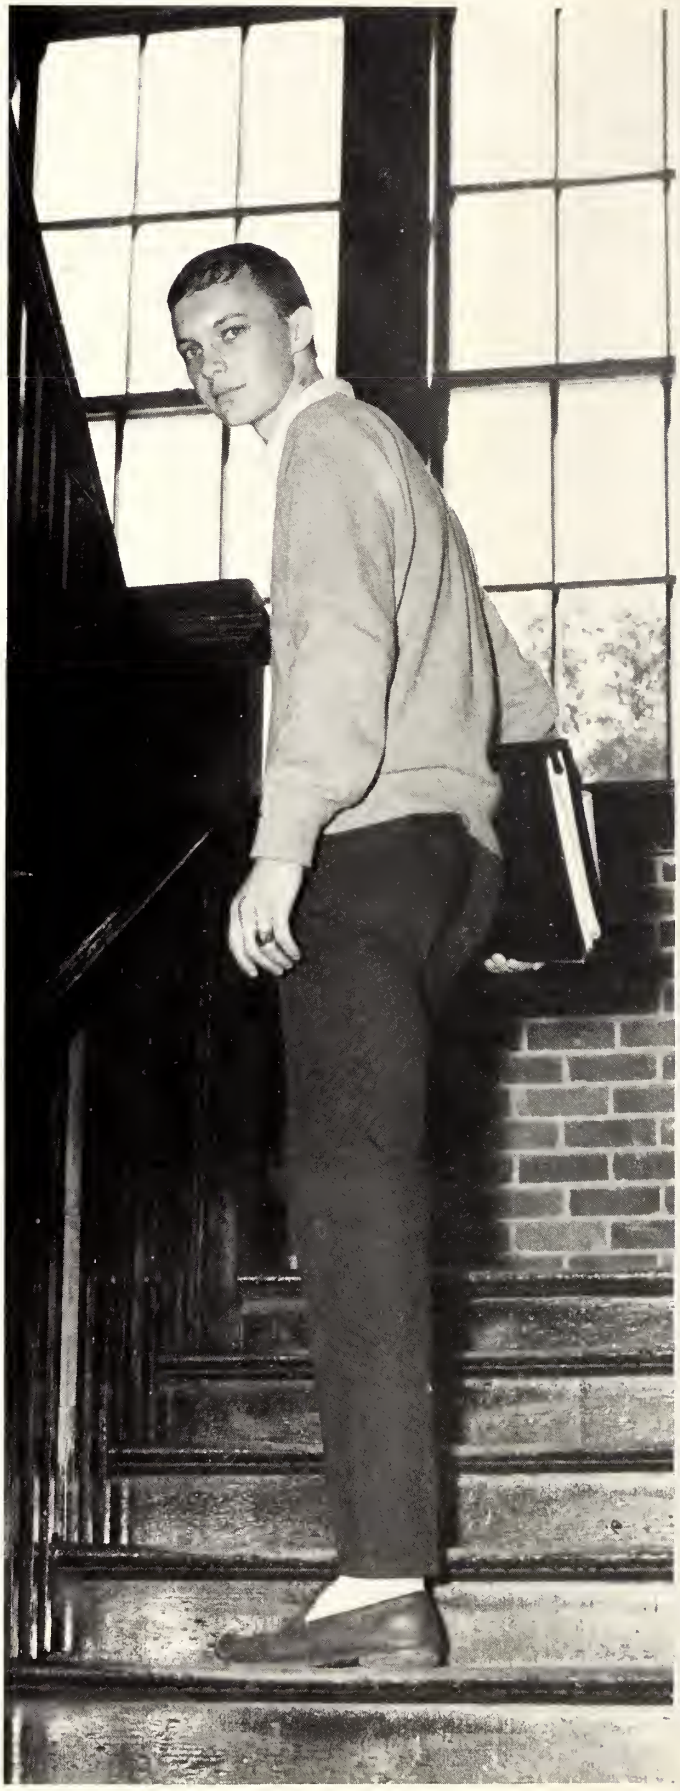
Our main objective in designing this annual was to produce an accurate picture of Ayden High School from August, 1964 to May, 1965. It has been a memorable year---we, the students, look back on it with a mixture of emotions. We have shared many experiences together and will undoubtedly want to remember these in future years. The WHEEL serves to preserve these memories.

It was only through the combined efforts of a large number of people that this book has been published. Many individuals have made valuable contributions in compiling it. I, in serving as editor, could not have asked for more cooperation than I have received. I would like to recognize some of those who are responsible for this volume.

First of all I would like to express my deepest appreciation to Mr. Doug Mitchell. His efforts as advisor to the annual staff have been invaluable. He deserves the credit for many of the ideas and much of the labor represented herein.

Thanks go to Buster Miller, our photographer, who has spent many hours taking pictures for this year's WHEEL. I would also like to recognize the assistance of Mr. Rudy Robinson, whose expert photography highlights many of our pages.

Deep gratitude for a job well done goes to Gail Stokes, Business Manager, to Janet Edwards, Copy Editor, and to all of the members of the staff. Margaret Miller, Cathy Respess, Judy Stillman, Johnny Buck, Martie Sumrell, Grey Davenport, Kaye Williams, and Billy Stokes have given their time and efforts to the yearbook production. Though not a staff member, Elaine Harris has been of valuable assistance to us.

These, then, are the recorders of this past year's history of Ayden High School. These people should receive most of the credit for this annual, however, I would like to thank the entire student body for your cooperation and for the privilege of working with you. It has been an invaluable experience.


Joel McLawhorn
